## Welcome Message

Dear Colleagues,

The 16<sup>th</sup> Malang Annual Respirioly Scientific Meeting will be held at Malang on July 6<sup>th</sup> - 7<sup>th</sup> 2019. The science of Pulmonology and Respiratory Medicine is advancing rapidly. The Indonesian Society of Pulmonology Branch Malang decides to hold the meeting annually. The meeting is set to deliver the best advances in both science and education, the meeting will discuss the latest diagnosis and management in pulmonology and respiratory medicine. Therefore we will hold workshop and symposia to improve your knowledge of respiratory medicine.

Together with all our staffs, we are working hard to bring you a programme that addresses the needs of all respiratory professionals those are scientists to clinicians and allied health professionals from general practitioners, medical students and nurses. The theme "Many Faces of Respiratory Diseases - Reaching Out to Communities in Need" will cover key topics in respiratory medicine from across the spectrum of disease area including Asthma and COPD, Immunology, Infection, Occupational Lung Disease, Oncology, Respiratory Emergency and Intervention.

We hope, despite an intense scientific meeting, you also will be able to get some experiences in Malang. Malang is the second largest city in East Java. Malang has become one of the best tourism area in the last decades. Come to the meeting and you will not just refresh your knowledge but also get the best travel experience in Malang.

So as the organizing committee of Indonesian Society of Pulmonology from Malang branch, we proudly invite you to attend the 16<sup>th</sup> Malang Annual Respirioly Scientific Meeting. We look forward to meet you in the Malang Annual Respirioly Scientific Meeting.

Best regards,  
Chairperson  
dr. Ungky Agus Setyawan, SpP
