KATA SAMBUTAN

Dengan hormat,

Pada kesempatan kali ini Perhimpunan Dokter Paru Indonesia (PDPI) Cabang Bogor, bermaksud untuk melaksanakan workshop Pertemuan Ilmiah Respirasi (PIR) PDPI Cabang Bogor yang rencananya akan diselenggarakan pada tanggal 5 - 6 Agustus 2017 di IPB International Convention Center (IICC) Botani Square Bogor. Tujuan kegiatan ini adalah untuk dapat bisa berbagi dan bertukar ilmu di bidang paru dan pemapasan dengan rekan sejawat di wilayah Bogor dan sekitarnya. Topik yang akan diangkat pada Pertemuan Ilmiah Respirasi (PIR) kali ini adalah mengenai Recent Evidence-Based Respiratory Medicine in Daily Practice to Breathe Better.

Perkembangan ilmu penyakit paru dan pemapasan mengalami peningkatan dalam kurun waktu 10 tahun terakhir. Berbagai pedoman nasional maupun internasional mengalami perkembangan yang dinamis seperti TB resisten obat, asma, PPOK, penyakit paru kerja, infeksi, gawat darurat dan intervensi paru pemapasan serta penyakit imunologi paru. Kegiatan dilakukan dalam bentuk Workshop dan Simposium agar lebih fokus dan intensif dalam mendapatkan ilmu.

Kami juga memiliki harapan rekan sejawat yang menjadi lini terdepan pelayanan kesehatan khususnya di wilayah Bogor dan sekitarnya dapat dengan cepat, tanggap dan tepat dalam mengobati kasus yang datang melalui Workshop dan Simposium PIR PDPI Bogor 2017.
