

Pertemuan Ilmiah Respirasi Surabaya 2017

7-8 Oktober 2017 | Hotel Bumi Surabaya

“Management of pulmonary diseases: from conventional to personalized”

Workshop I (Airway therapy and Lung function) October 7th 2017

Airway clearance therapy
Aerosol therapy
The use of high-flow nasal cannula in critically ill patient
The role of small airway disease in asthma
Techniques for assessing small airway dysfunction
Bronchial provocation tests in clinical practice
Hands on : Assesing small airway disease & Aerosol Therapy

Workshop II (Respiratory emergency and Pulmonary intervention) October 7th 2017

Toxic gas inhalation
Management of acute exacerbation of asthma and COPD
LAMA & LABA as maintenance therapy of COPD
Pneumothorax : Needle aspiration or chest tube drainage
in spontaneous pneumothorax
Hemodynamic monitoring in sepsis
Fluid replacement on septic shock
Hands on : Case management of ACO exacerbation
Management of tension pneumothorax
(needle decompression technique)

Workshop III (Targeted therapy and Immunotherapy for NSCLC) October 7th 2017

Immunology of lung cancer
Immunotherapy for NSCLC
Monitoring and managing immune-related adverse events
in lung cancer
The role of histopathology examination in the management of NSCLC
Symptomatic treatment of cough among adult patients
with lung cancer
Targeted therapy in lung cancer
NSCLC Cases : Multiple primary lung cancer or relapse?(a case report)
Monitoring and management of recurrence after surgery in lung
cancer patients

Symposia October 8th 2017

Sports-related lung diseases
Pleural diseases management
Personalized therapy in asthma/COPD
Updated targeted therapy in NSCLC/
Immunotherapy in NSCLC
Pain Management

* SKP IDI, Materi dan Pembicara dalam konfirmasi

Biaya Pendaftaran:	Early (sebelum 10 Sept 2017)	Late (setelah 10 Sept 2017)
Dokter Spesialis	1.250.000	1.500.000
Dokter Umum / Residen	800.000	1.000.000
Mahasiswa S1	600.000	800.000
Perawat / lainnya	500.000	600.000
WS I (Airway therapy)	1.750.000	2.000.000
WS II (Respiratory emergency)	800.000	1.000.000
WS III (Targeted therapy- Immunotherapy in NSCLC)	1.750.000	2.000.000

Symposia (October 8th 2017)

Pukul	Agenda
08.00-08.10	Welcome speech: Welcome speech from Chairman of PDPI Session 1 Early morning Symposia "Sport-related Lung Disease" (Moderator: H.Abdul Mukty, dr., Sp.P(K))
08.10-08.30	Short and long-term effects of diving on lung function (Ariani Permatasari, dr., Sp.P)
08.30-08.40	Sport-related lung injury during breath-hold diving (Yanto Poernomohadi, dr., Sp.P)
08.40-08.50	Discussion Session 2 Morning Symposia "Pleural Diseases Management" (Moderator: Winariani K, dr., Sp.P(K), MARS, FCCP)
08.50-09.10	Diagnostic and management of benign non-infective pleural effusions (Irmu Syafa'ah, dr., Sp.P)
09.10-09.30	Management of benign pleural effusion using indwelling pleural catheters (Isnain Anang, dr., Sp.P(K), FCCP, FIRS)
09.30-09.50	Chronic empyema management : from perspective of surgery (Dhahintia Jiwangga Suta, dr., Sp.BTKV)
09.50-10.00	Discussion
10.00-10.15	Coffee Break Session 3 Pre lunch Symposia I "Personalized Therapy in Asthma" (Moderator: Arief Bakhtiar, dr., Sp.P)
10.15-10.35	Pathogenesis of allergy and asthma (Dr. Daniel Maranatha, dr., Sp.P(K))
10.35-10.55	Strategy of SMART regimen in asthma management (Prof. Dr. Muhammad Amin, dr., Sp.P(K), FIRS)
10.55-11.05	Discussion Session 3 Pre lunch Symposia II "Personalized Therapy in COPD and Lung Cancer" (Moderator: Susaniwati, dr., Sp.P)
11.05-11.20	Advances in COPD (Prof. Dr. Muhammad Amin, dr., Sp.P(K), FIRS)
11.20-11.35	Dealing with unmet need in the management of NSCLC: The role of afatinib (Dr. Laksmi Wulandari, Sp.P(K), FCCP)
11.35-12.00	Discussion Session 4 Lunch Symposia "Updated Targeted Therapy in NSCLC" (Moderator: Isnu Pradjoko, dr., Sp.P(K))
12.00-12.20	Current guideline and advances in histopatology and biomolecular test in NSCLC (Didik Setyo Heriyanto, dr., Sp.PA, PhD)
12.20-12.40	Managing NSCLC with targeted therapy (Anna Febriani, dr., Sp.P)
12.40-13.00	Newer agents to manage NSCLC cases with EGFR-TKI resistance (Dr. Laksmi Wulandari, dr., Sp.P(K), FCCP)
13.00-13.15	Discussion
13.15-13.45	Lunch break (prayer time) Session 5 Post Lunch Symposia "Immunotherapy in Lung Cancer" (Moderator: Dr. Daniel Maranatha, dr., Sp.P(K))
13.45-14.05	Pembrolizumab for the treatment of NSCLC (Dr. Laksmi Wulandari, dr., Sp.P(K), FCCP)
14.05-14.25	PD-L1 expression in NSCLC (Ety Hary Kusumastuti, dr., Sp.PA)*
14.25-14.45	Pneumonia in lung cancer patients (Dr. Soedarsono, dr., Sp.P(K))
14.45-15.05	Discussion Session 6 Afternoon Symposia "Pain Management" (Moderator: Movita Hidayati, dr., Sp.P)
15.05-15.25	The role of fentanyl patch in lung cancer pain management (Dr. Laksmi Wulandari, dr., Sp.P(K), FCCP)
15.25-15.45	Refractory pain management in patients with lung cancer (Departemen Anestesiologi dan Reanimasi)
15.45-16.05	Opioid and adverse outcome in elderly COPD patients (Tutik Kusmiati, dr., Sp.P(K))
16.05-16.15	Discussion
16.15-16.35	Closing ceremony and door prize

Sekapur Sirih

Banyaknya penyakit gangguan pernapasan, seperti asma dan PPOK, harus ditentukan secara tepat sebagai kumpulan gejala/sindrom yang ditandai dengan berbagai heterogenitas. Akibat heterogenitas ini mengakibatkan variabilitas terhadap respons obat. Kanker paru adalah suatu contoh yang tepat untuk penerapan *personalized therapy*. Dari banyaknya penelitian di bidang genetika kanker paru, sudah mulai dikembangkan terapi yang hanya menghancurkan sel kanker bukan sel secara keseluruhan seperti yang selama ini kita dapatkan dari kemoterapi konvensional. Penelitian di dua gen yaitu EGFR dan ALK berkembang dengan pesat dan keduanya ditemukan di adenokarsinoma paru NSCLC. *Targeted therapy* memberi hasil *progression free survival/PFS* lebih panjang, yang menggambarkan survival dari pasien kanker. Saat ini, dengan memeriksa mutasi pada kanker paru di gen EGFR, ALK dan KRAS, dokter dapat mengidentifikasi pasien yang memiliki respon yang baik terhadap *personalized therapy* ini.

Untuk meningkatkan ilmu dan pengetahuan dibidang penyakit saluran napas dan paru bagi tenaga kesehatan (dokter spesialis, dokter umum, residen, perawat, mahasiswa dan lainnya) terutama dalam mengembangkan berbagai macam pendekatan dari sistem konvensional ke arah personalized, maka PDPI (Perhimpunan Dokter Paru Indonesia) cabang Jawa Timur memiliki tanggung jawab untuk mengawal tercapainya tujuan tersebut. Langkah kongkrit yang digalang adalah dengan mengadakan workshop dan simposium dalam agenda PIR Surabaya 2017 (Pertemuan Ilmiah Respirasi) dengan tema **"Management of Pulmonary Disease; from Conventional to Personalized"**. Dengan adanya acara ini diharapkan dapat menambah wawasan para peserta sehingga dapat bekerja lebih baik dalam penanganan penderita penyakit respirasi

Ketua Panitia,

Dr. Daniel Maranatha, dr., Sp.P(K)

Workshop (October 7th 2017)

WORKSHOP 1: "Airway Therapy and Lung Function"

Moderator: Afan Fatkhur Akhmad, dr.,Sp.P

Pukul	Agenda
08.00-08.30	Airway clearance therapy (Helmia Hasan, dr.,Sp.P(K), M.Pd.Ked.,FCCP)
08.30-09.00	Aerosol therapy (Dr. Farida Anggraini, dr.,Sp.P)
09.00-09.30	The use of highflow nasal cannula in critically ill patients (Dr. Daniel Maranatha, dr.,Sp.P(K))
09.30-10.00	Discussion
10.00-10.15	Coffee break
10.15-10.45	The role of small airway disease in asthma (Dr. J.F. Palilingan, dr.,Sp.P(K))
10.45-11.15	Techniques for assessing small airway dysfunction (Prof.Dr.Muhammad Amin, dr.,Sp.P(K),FIRS)
11.15-11.45	Bronchial provocation tests in clinical practice (Alfian Nur Rosyid, dr.,Sp.P)
11.45-12.15	Discussion
12.15-13.00	Lunch break (prayer time)
13.00-14.30	Hands on : Assesing small airway disease & Aerosol therapy (Prof.Dr.Muhammad Amin, dr.,Sp.P(K), FIRS dan Helmia Hasan, dr.M.Pd.Ked.,Sp.P(K),FFCP&Made Agustya Darmaputra, dr.)

WORKSHOP 2: "Respiratory Emergency and Pulmonary Intervention"

Moderator: Agus Suharto, dr.,Sp.P

Pukul	Agenda
08.00-08.30	Toxic gas inhalation (Winariani K, dr.,Sp.P(K),MARS, FCCP)
08.30-09.00	Management of acute exacerbation asthma and COPD (Arief Bakhtiar, dr.,Sp.P)
09.00-09.30	LAMA & LABA as maintenance therapy of COPD (Prof.Dr. Muhammad Amin, dr.,Sp.P(K),FIRS)
09.30-10.00	Discussion
10.00-10.15	Coffee Break
10.15-10.45	Pneumothorax:needle aspiration or chest tube drainage in spontaneous pneumothorax (Irmis Syafa'ah, dr.,Sp.P)
10.45-11.15	Hemodynamic monitoring in sepsis (Prastuti A.W, dr.,Sp.P)
11.15-11.45	Fluid replacement on septic shock (Resti Yudhawati, dr.,Sp.P(K))
11.45-12.15	Discussion
12.15-13.00	Lunch break (prayer time)
13.00-14.30	Hands on: Case management of ACO exacerbation Management of tension pneumothorax (needle decompression technique) (Arief Bakhtiar, dr.,Sp.P & Irmis Syafa'ah, dr.,Sp.P)

WORKSHOP 3: "Targeted Therapy and Immunotherapy for NSCLC"

Moderator: Isnu Pradjoko, dr.,Sp.P(K)

Pukul	Agenda
08.00-08.30	Immunology of lung cancer (Dr.Gatot Sugiarto, dr.,Sp.PD,KAI)
08.30-09.00	Immunotherapy for NSCLC (Dr.Laksmi Wulandari, dr.,Sp.P(K),FCCP)
09.00-09.30	Monitoring and managing immune-related adverse events in lung cancer (Farah Fatma Wati, dr.,Sp.P)
09.30-10.00	Discussion
10.00-10.15	Coffee Break
10.15-10.45	The role of histopathology examination in the management of NSCLC (Sjahjenny Mustokoweni, dr.,Sp.PA(K))
10.45-11.15	Erlotinib for first line treatment to optimize EGFR mutation NSCLC patients outcome (Dr. Laksmi Wulandari, dr.,Sp.P(K),FCCP)
11.15-11.45	Bevacizumab for first line treatment in EGFR wild type/unknown NSCLC (Sita Laksmi Andarini, dr.,PhD,Sp.P(K))
11.45-12.15	Discussion
12.15-13.00	Lunch break (prayer time)
13.00-13.30	Case Discussion NSCLC Cases : Multiple primary lung cancer or relapse? (a Case report) (Wiwi Pertiwi, dr.)
13.30-14.00	Monitoring and management of recurrence after surgery in lung cancer patients (Anna Febriani, dr.,Sp.P)
14.00-14.30	Expert panel discussion (Dr. Laksmi Wulandari, dr.,Sp.P(K),FCCP & Sjahjenny M, dr.,Sp.PA(K))

Formulir Pendaftaran

Dengan ini saya menyatakan bersedia mengikuti kegiatan Simposium & Workshop PIR Surabaya 2017 dengan tema "Management of Pulmonary Disease from Conventional to Personalized" Tanggal 7-8 Oktober 2017 di Hotel Bumi Surabaya

Gelar : Prof Dr dr S.Kep Ners Sp.....

Nama :

Alamat :

Telp :

Email :

Biaya Pendaftaran

Agenda Ilmiah	Sebelum 10 Septl 2017	Setelah 10 Sept 2017
Workshop		
Workshop 1	<input type="checkbox"/> Rp. 1.750.000,-	<input type="checkbox"/> Rp. 2.000.000,-
Workshop 2	<input type="checkbox"/> Rp. 800.000,-	<input type="checkbox"/> Rp. 1.000.000,-
Workshop 3	<input type="checkbox"/> Rp. 1.750.000,-	<input type="checkbox"/> Rp. 2.000.000,-
Simposium		
Dokter Spesialis	<input type="checkbox"/> Rp. 1.250.000,-	<input type="checkbox"/> Rp. 1.500.000,-
Dokter Umum/Residen	<input type="checkbox"/> Rp. 800.000,-	<input type="checkbox"/> Rp. 1.000.000,-
Mahasiswa	<input type="checkbox"/> Rp. 600.000,-	<input type="checkbox"/> Rp. 800.000,-
Perawat/ Lainnya	<input type="checkbox"/> Rp. 500.000,-	<input type="checkbox"/> Rp. 600.000,-
